# READ TO SUCCEED

Together, we're  
turning pages and  
changing futures—  
one book at a time!

Students not reading  
proficiently by 3rd grade  
are 4 times more likely to  
drop out of high school.

## About this Initiative

Read to Succeed promotes literacy by ensuring students read at or above grade level by third grade while fostering a love for reading. This grant program places book vending machines in local schools and nonprofits, providing free, high-quality books that students can keep—helping them build their own personal libraries.
